Joint event “Alexandru Ioan Cuza” University, Iasi, Romania  
& Yuriy Fedkovych Chernivtsi National University, Chernivtsi, Ukraine

*Moderator – Dr. Sorin Mazilu, “Alexandru Ioan Cuza” University of Iasi*

The scientific seminar ***Interdisciplinary research on culture and creativity*** aims to initiate an interdisciplinary dialogue between experts, researchers, professionals and peoples interested in the theme, in order to enhance the awareness of the importance of creativity, culture and human capital in our society and about their influence in fostering regional growth. Also, the ways in which European Union supports the creative economy will be highlighted, along the instruments available for supporting and financing economic activities which rely on creativity.

In order to build a constructive dialogue during the event, along the speakers' interventions, the participants are invited to share their opinions, comments, ideas, collaboration proposals or their research results.

*The event is organized within EUcreaTip Jean Monnet Module “Culture and creativity – key factors for prosperity in European Union”, co-funded by the Erasmus + Programme of the European Union” ([www.cse.uaic.ro/eucreatip](http://www.cse.uaic.ro/eucreatip)).*
